Hasbrouck Heights Average Score 762

Hasbrouck Heights Average Score 746

Hasbrouck Heights Average Score 765

Educational Acceleration Plan

Action/Resource

Additional period of Math for 9th grade students

Additional period of Math for 10th grade students

Purpose

To provide increased math instructional time to address learning loss and to accelerate standard mastery

Educational Acceleration Plan Middle School Math Program

Action/Resource

One fluid Math curriculum for 6,7, and 8th grade. Math no longer split between Topics and Algebra.

Purpose

[Justification for Change to Curriculum Implementation](#)

Educational Acceleration Plan Elementary Level Math Program

Action/Resource

Professional development for elementary level teachers

Purpose

To strengthen math instruction by enhancing teacher practices.

Education Acceleration Plan English Language Arts

Action/Resource

Current pilot program for ELA 6-8 to support shift to balanced literacy approach in ELA.

Assessment component to level students by lexile.

ELA will be two courses, Reading and Writing, instead of current combined course.

Purpose

Provide teachers with a comprehensive program for instruction. Support reading growth through assessment. K-8 balanced literacy continuum.

Child Study Team/Special Education

Action/Resource

Add an additional Child Study Team (CST) member

Implement third year of collaborative teaching district goal

Purpose

Increase service for students and enhance communication with parents.
