October Big Idea: GRIT	Ms. Dalcortivo our Guidance Counselor
<p>When we show grit, it's our courage and resolve to not give up even when things get hard.</p> <p>Animal: Mustang - Mustang horses are known for having a wild nature, but they can be tamed and ridden like other horses. Mustangs are known to have grit because they have had to live through harsh desert conditions before they began to populate South, Central and North America, where they are known today as a feral horse, not a wild horse.</p> <p>Color: Terra Cotta</p>	

Please ensure your child has their jacket or sweatshirt to keep them warm when outside with the change in seasons. Please be sure to label all your child/children's belongings.
