October Big Idea: GRIT	Mrs. Hone and Mrs. Romano, our Euclid School Secretaries
<p>When we show grit, it's our courage and resolve to not give up even when things get hard.</p> <p>Animal: Mustang - Mustang horses are known for having a wild nature, but they can be tamed and ridden like other horses. Mustangs are known to have grit because they have had to live through harsh desert conditions before they began to populate South, Central and North America, where they are known today as a feral horse, not a wild horse.</p> <p>Color: Terra Cotta</p>	

As of October 20th we are halfway through Trimester 1. We ask that you continuously monitor your child's academic progress on the Genesis Parent Portal.
