March Big Idea: Forgiveness	8th Graders From the Middle School came down to Euclid School to mentor our 4th Graders through the <i>Heroes and Cool Kids</i> program.
<p>Forgiveness is a choice to let go of frustration toward someone who hurt you. It allows us to think, feel, or act with kindness toward that person.</p> <p>Animal: Gecko - Geckos are lizards, which are members of the reptile family. Geckos have developed special physical features to help them survive. Gecko tails serve many purposes. A gecko may not actually forgive whatever animal takes their tail, but this survival tactic works well, as their tails actually grow back.</p> <p>Color: Mint</p>	

It was such a joy to Open Up the Doors of Euclid School to allow our families to see our students' work at Young Authors' Night. I hope that your child had a blast showing their family members where they spend their days.
