April Big Idea: Humility	The Euclid Family grew Thursday as our Faculty and Staff brought their Children to Work.
<p>Humility is putting others first by giving up what you think you deserve. We can show humility by serving the homeless, serving the poor, serving our family, and serving one another.</p> <p>Animal: House Sparrow - The sparrow species are humble birds. They depend in some way on humans for food. It eats what humans grow. That is why the sparrow habitat is always found near human settlements, both rural and urban. This species builds their own sparrow nests on trees, buildings, and houses in the cities. They are not as flashy as other birds which speaks to their humility.</p> <p>Color: Kraft Paper</p>	

3rd, 4th and 5th Grade Students will be completing the New Jersey Student Learning Assessment (NJSLA). The anticipated dates are as follows:
