| December Big Idea: Generosity | It's Friday and Our 5th Graders have some HEIGHTS PRIDE! |
|---|---|
| <p>Generosity is making someone's day by giving something away. Generosity is an important social skill because it helps us to be more empathetic, build positive relationships, make responsible decisions, and be involved in our communities. The holiday season is an especially perfect time to reflect on how the spirit of joy is discovered when we give to others.</p> <p>Animal: Vicuna - Wild ancestors of alpacas, vicunas are the smallest camelids and are considered the national animal of Peru. For centuries, people have kept warm by making clothing and other items from their luxurious wool.</p> <p>Color: Celadon</p> |  |

| <p>Please label your child's jacket, sweatshirts, water bottles and lunch boxes with their name. Our 5th Grade students walked all lost and found items around the building twice for students to claim. These items are now separated from the bin and will be donated if not claimed at the end of next week. Anything new in the <i>Lost and Found</i> from this week will remain in the bin.</p> |
