December Big Idea: Generosity	Euclid School Student Council organized a Toy Drive. All toys collected were donated to The Center for Hope and Safety
<p>Generosity is making someone's day by giving something away. Generosity is an important social skill because it helps us to be more empathetic, build positive relationships, make responsible decisions, and be involved in our communities. The holiday season is an especially perfect time to reflect on how the spirit of joy is discovered when we give to others.</p> <p>Animal: Vicuna - Wild ancestors of alpacas, vicunas are the smallest camelids and are considered the national animal of Peru. For centuries, people have kept warm by making clothing and other items from their luxurious wool.</p> <p>Color: Celadon</p>	

<p>Wishing all of you, our Euclid School extended family members, a truly wonderful holiday season filled with peace and love. I hope your time spent with family and friends is filled with laughter and joy.</p>
