February Big Idea: Kindness	The Kindergarten and 1st Grade Classes celebrated Reading with our Read-A-Latte! Thank you!!! To the parents and grandparents who came out to support their child's LOVE OF READING!
<p>The concept of kindness can be used to describe a number of actions that show others you care. For example, we show kindness to others when we listen without judging. We show kindness by being patient with others when they are struggling to learn something new. Kindness is showing others they are valuable by how you treat them.</p> <p>Animal: Sociable Weaver - A small, unassuming bird in southern Africa,. Sociable weavers make huge nests that resemble hanging haystacks. One rambling nest might house up to 100 families, with room for the next generation. When babies hatch, their older siblings help to feed them.</p> <p>Color: Peach</p>	

<p>Continue to READ, READ, READ!!! Take advantage of this break from school to catch up on a good book and visit the Town Library! We are tracking reading minutes for our March Madness Read-a-thon!</p>
