**Student Agreement for the "One-to-One" Chromebook Initiative**

The "One-to-One" Chromebook initiative is a program in which students are issued their own personal computing device and charger for use in school and/or at home. Please read the agreement and have the parent and student sign showing that you have read, understand and agree to it

1. I will take good care of my assigned device and charger, which includes:
  - I will never leave my device unattended.
  - I will know where my device is at all times.
  - I will keep food and beverages away from my device.
  - I will charge my device's battery daily.
  - I will not place decorations (such as stickers, markers, etc.) on the device.
2. I will never loan out my device and/or charger to other individuals.
3. I will not disassemble any part of my device or attempt any repairs.
4. I agree to return the school's device and charger.
5. I will only use my device in ways that are appropriate and educational, meaning the Hasbrouck Heights School District's expectations.
  - I will not deface the serial number device sticker on the device
  - I understand that my device is subject to inspection at any time, without notice, and remains the property of the Hasbrouck Heights School District.
6. I understand that all Internet traffic on the device passes through the district's content filter in school as well as off premises. All traffic can be reviewed for inappropriate use and students are responsible for websites visited as well as Internet searches performed.
7. I understand the device is equipped with a camera. The district does not use the camera for anti-theft or any other non-educational purposes and will not remotely activate the camera under any circumstances.
8. I understand the district does have the ability to track the device when it is on and connected to a wi-fi network. The district does use this feature to track the device when it is reported lost or stolen.
9. I understand that damage or vandalism (vandalism constitutes anything that is done to purposely deface or destroy the device) will result in the following charges:

<b>Chromebook – Grades Pre-K to 12</b>
General Damage - \$0 to \$250
Lost Charger - \$50
Lost Chromebook - \$250

I understand and agree to the stipulations set forth on the Hasbrouck Heights School District's "One-to-One" Chromebook Initiative.
