3212 ATTENDANCE

The regular and prompt attendance of teaching staff members is an essential element in the efficient operation of the school district and the effective conduct of the educational program. Staff member absenteeism disrupts the educational program, and the Board of Education considers attendance an important component of a staff member's job performance.

A teaching staff member who fails to give prompt notice of an absence, misuses sick leave, fails to verify an absence in accordance with Board policy, falsifies the reason for an absence, is absent without authorization, is repeatedly tardy, or accumulates an excessive number of absences, defined as days beyond the 15 allotted, with the exception of maternity, short or long term sick leave, as approved by the BOE, will be subject to appropriate progressive discipline. Appropriate progressive discipline includes a written reprimand or the withholding of a salary increment.

Tardy Progressive Discipline

4 Tardies = Verbal warning

5th Tardy = Memorandum of understanding

Another 5 Tardies (10 total) = Documented in evaluation (receive a 2 under professionalism)

Another 3 Tardies (13 total) = Withholding of increment or official written reprimand

Two consecutive years of 13 Tardies = Automatically results in withholding of increment

If a staff member forgets to swipe in for attendance more than (3) three times, the fourth time will count as a tardy.

After a total of 5 no swipes, each no swipe will be counted as an unexcused tardy.

In accordance with N.J.S.A. 18:30-1, sick leave is defined to mean the absence from work because of personal disability due to injury or illness or because the staff member has been excluded from school by the school medical authorities on account of a contagious disease or of being quarantined for such a disease in the staff member's immediate household. No teaching staff member will be discouraged from the prudent, necessary use of sick leave and any other leave provided for in the collective bargaining agreement negotiated with the member's majority representative, in an individual employment contract, or provided in the policy of the Board. In accordance with N.J.S.A. 18A:30-4, the Superintendent or Board of Education may require a physician's certificate to be filed with the Secretary of the Board in order to obtain sick leave. The definitions of repeatedly tardy and excessively absent described herein are subject to the discretion of the Superintendent.

A personal day cannot be used to extend a school break, holiday or school closure.

~~If personal days are used in conjunction with sick days to make an extended paid leave,~~ **If a personal day is scheduled immediately before or after two (2) full sick days, a doctor's note will be required for the sick days(s). If a staff member takes a scheduled personal day attached to a weekend and combines it with a sick day either before or after the weekend, a sick note will be required upon return to work.** Consecutive personal days must be approved by the Superintendent. The Superintendent reserves the right of approval.

The Superintendent, in consultation with administrative staff members, will review the rate of absence among the staff members. The review will include the collection and analysis of attendance data.
