about upcoming assignments and assessments is communicated directly through Google Classroom.

➤ **Back to School Night**

Each fall, the Middle School invites parents to spend an evening at the school. The MS faculty will present an overview of their instructional programs including classroom rules and procedures. Parents are encouraged to participate in the evening's activities in order to best familiarize themselves with their child's daily routine. Middle School Back to School Night will be on **Wednesday, September 18th at 6:45pm.** Before *BTS Night*, we will also be hosting "*Parent Information Nights*" for our two overnight Field Trips for 7th and 8th grade parents. These presentations will begin at 6:00pm (prior to BTS Night).

➤ **Report Cards**

Report cards are issued four times throughout each school year, once for each of the four Marking Periods. See the ***MS Marking Period Dates*** section of this Handbook for more information regarding specific dates.

➤ **Live Grades**

All HHMS parents and guardians have access to live grades online, via Genesis. When a student receives a grade below a 65, an email is sent to the parent, guardian, and student. Once again, please note that Google Classroom should also be monitored on a regular basis, as a means of tracking your child's assignments.

➤ **Friday Folder (The JAFF!)**

Each Friday throughout the school year, a newsletter is emailed home with important information, reminders, and announcements that are relevant to Hasbrouck Heights Middle School. You may also access the Friday Folder at any time on our school website. **If you do not receive the Friday Folder, please contact the main office to update your email.**

➤ **Twitter**

Students, parents, and community members are encouraged to follow us on our Twitter page **@HHJrAviators**. The Junior Aviator Twitter page will contain information about upcoming events, as well as pictures and highlights from middle school events.

*Homework completion for each week will be updated every Friday. Tests, quizzes, essays and other graded projects will be posted to Genesis after the teacher completes the grading process.

* At the beginning of each school year, parents will receive directions, a username and password to access Genesis.

Getting Messages to Students during the School Day

HEIGHTS: Where tradition and innovation take flight!

HASBROUCK HEIGHTS HIGH SCHOOL/MIDDLE SCHOOL

Student/Parent Handbook

In order to maintain a safe, orderly, and productive school environment, the office staff will strive to minimize classroom interruptions.

1. Students are permitted to use the office telephone only in the event of an emergency (Forgetting homework does not constitute an emergency).
2. Students are responsible for checking in at the office to collect “dropped off” items.
3. Classrooms will not be interrupted to summon individual students to the office to collect items “forgotten” at home and delivered to school.
4. Parents should refrain from texting/calling students on their cell phones during the school day. **Students will be disciplined according to the Code of Conduct, regardless of whether the communication is with a parent or guardian.**

Attendance

All students are expected to make attendance in school a top priority. The teachers, administrators, and staff recognize their responsibility to provide a thorough and efficient education to all students. **Therefore, it is critical that every student and parent/guardian accepts responsibility for attendance at school, as required by state law.** Excellent attendance will positively impact student achievement!

Absences

If a student will be absent from school, it is the responsibility of the student’s parent/guardian to notify the school. The process for notifying the school of the student’s absence should be followed as outlined below:

1. **The parent/guardian should call Mrs. Lisa Mason in the Middle School Office at (201) 393- 8170, no later than 8:00 am (notification after 8:45am will be considered truant). If there is no answer, please leave a message on the voicemail system.**
2. The information provided should include the student’s name, grade, and a callback phone number to reach the parent/ guardian. It is our top priority to ensure the safety of our students at all times. **PLEASE BE SURE TO CALL IN ALL ABSENCES!**

Students that are absent from school for any reason are responsible for the completion of assignments missed during their absence. A student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence, provided there is a written excuse of such absence signed by the parent.

Prolonged or repeated absences from school or from a class, excused or unexcused, deprives the student of the educational and classroom experiences deemed essential to learning. Excessive absences may result in retention at grade level or loss of credit/ removal from a course, in accordance with policies of the Board of Education. According to BOE policy, a student who accrues more than 15 Absences may be in danger of losing credit for their course.

HEIGHTS: Where tradition and innovation take flight!

HASBROUCK HEIGHTS HIGH SCHOOL/MIDDLE SCHOOL

Student/Parent Handbook

Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.6(a)4 and Regulation 5200. Unexcused absences from school or from class within the school day may subject a student to consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with the maintenance of good order and the continuity of classroom instruction. Such absences may result in the removal from a class or course of study.

Tardiness

We believe that punctuality is an important element of school attendance. Pupils who are late to school or late to class miss essential portions of the instructional program and create disruptions in the academic process for themselves and the other students.

Tardiness to school or class that is caused by a student's illness, an emergency in the student's family, the observance of a religious holiday, a death in the student's family, or by the student's compliance with a request or directive of an administrator will be considered justified and is excused. All other incidents of tardiness will be considered unexcused.

A student who develops a pattern of tardiness, excused or unexcused, will be offered counseling with an appropriate staff member to determine the cause of the tardiness.

Late to School:

Students are considered late if they have not arrived in Period 1 by 7:55 am.

Any student who reports to school after 7:55am must report to the Visitor Monitor located at the Middle School Entrance. The student will receive a late pass from the Visitor Monitor which will be handed to the teacher for admittance into class. Any MS students who are late after 9:00am MUST report to Door # 1 (Main Entrance on Boulevard).

Discipline Issued for Tardies to School:

In accordance with Board policy, students who are tardy will be subject to disciplinary action as outlined below:

1-3 Tardies:	Excused
4 th Tardy:	Central Detention
7 th Tardy:	2 Central Detentions
10 th Tardy:	Saturday School Detention
13 th Tardy:	Saturday School Detention & Action Plan Implemented
15 th Tardy:	Potential loss of course credit (if Action Plan not followed)

Late to Class:

If a student is less than three minutes late to class, the teacher has the authority to address the "time lost" as they see fit. If a student is late to class more than three minutes, it will be considered an unexcused tardy.

Students are expected to cooperate with all of the rules and procedures outlined by the classroom teacher.

Medical HOLD

A Medical HOLD drill is designed to restrict movement throughout the school building for any particular reason. Most often, this type of drill is called when there is a medical emergency within the school building. No visitors to the school building will be permitted during a Medical HOLD.

Shelter-In-Place

A Shelter in Place drill will be called any time there is a need to keep all students and staff sheltered inside of the school building. No visitors to the school building will be permitted during a Shelter in Place.

Cell Phones

Cell phones are **NOT** permitted at the middle school. Students may bring a cell phone to school with them; however, the phone must be housed inside of their school locker. Phones should be turned off or silenced during the school day. Students who are caught with their cell phone out during the school day will be disciplined according to the Code of Conduct. School Lockers

Lockers are designed only for the storage of books, backpacks, school supplies, and outerwear. All

students are urged to take proper precaution with their possessions. Make sure lockers are closed and locked at all times. **Only school-issued locks will be used on lockers at Hasbrouck Heights Middle School.** Personal belongings should not be left where others may have the opportunity to take them. Please keep the lockers clean and free from odor-causing items. Students who tamper with other students' lockers will be subject to disciplinary action. Locker inspections will occur during the school year.

The Hasbrouck Heights School District respects student privacy and provides students with the use of a locker in which they may store clothing, school materials, and other personal property. Although each student is responsible for maintaining the locker assigned to him/her, all lockers are and shall remain the property of the school district. Students may not use multiple lockers for storage. Lockers may not be used as a depository for substances or objects which are illegal or which constitute a threat to the health, safety, and welfare of the occupants of the school buildings. Accordingly, the BOE authorizes the school Principal or his/her designee to search lockers and their contents at any time on blanket or random basis, without notice, and without parental guardianship or pupil consent, and without reasonable suspicion of the presence of contraband.

Cafeteria/Lunchroom

Lunch period is an opportunity to relax and interact with friends. Students are expected to clean up after themselves, behave appropriately, and follow the directions of the teachers and administrators in charge. Trash barrels are available to deposit trash. There are also containers specifically designated for recycling, and all are encouraged to help with the school's effort in this regard. Leaving trash on the table or throwing trash on the floor is unacceptable. Students who display inappropriate behavior during lunch or who do not clean up after themselves may have restricted lunchroom access (lunch detention) as a consequence.

Hallway Expectations

Students are expected to keep to the right while traveling in the hallways, keep voices low, and keep moving to your next classroom. It is important not to gather with friends or stop to talk during the passing of classes. Loitering could result in lateness to class. Students are not permitted to enter classrooms without a teacher present. Students must wait outside and line up along the lockers until the teacher arrives and/or permits student entrance. **Students are NOT permitted to open any exterior door for anyone at any time while passing in the hallways.**

Gum Chewing

Careless disposal of gum in drinking fountains, furniture, and floors presents sanitation and cleaning problems with costly repair. **Therefore, gum chewing is not permitted.**

Assemblies & Performances

Students are expected to:

- Enter and exit in a quiet and orderly manner.
- No talking or physical contact during the performance.

HEIGHTS: Where tradition and innovation take flight!

HASBROUCK HEIGHTS HIGH SCHOOL/MIDDLE SCHOOL

Student/Parent Handbook

- Remain in your seat for the duration of the program, unless you have permission from a staff member. If a student must enter/exit, do so only between selections, not during a performance.
- Treat the speakers in a respectful manner and offer appropriate applause.

Academic Integrity

One of our main goals each school year is to provide an atmosphere where academic honesty is valued. Students who engage in cheating and plagiarism are using someone else's work, claiming it as their own, for their own benefit. Cheating is defined as both giving and receiving information for the purpose of improving grades on a quiz, test, essay, research paper, or homework. Plagiarism is also considered cheating. A student who plagiarizes someone else's work will be disciplined according to BOE policy.

Grading Scale

The Middle & High School will use the following grading scale:

A+	97-100
A	93-96
A-	90-92
B+	87-89
B	83-86
B-	80-82
C+	77-79
C	73-76
C-	70-72
D	65-69
F	55-64 (For first three marking periods)
	<64 (For marking period 4)

Grades for each marking period are to be determined on the basis of attainment (progress), preparation, and participation. The following weights are to be given to each of the specific elements of grading.

80% Assessments (Attainment): Formative and Summative assessments and/or assignments include written and/or oral quizzes, tests, lab write-ups, reports, projects, papers, etc. Assignments that span more than one marking period shall be graded during the process with the final grade being recorded/considered only in the marking period when due.

- Regular assessments are necessary to determine if each student has achieved the instructional objective established by the teacher during lesson planning for each instructional period of the day. Teachers should use, at a minimum, four (4) assessments per marking period.
- No one (1) assessment can count for more than 25% of the Assessment portion of the grade

10% Class Participation (Participation): Includes factors such as displaying a positive interest in the classroom/ presentation, displayed by active and inquisitive contributions adding to the academic or working atmosphere in the classroom.

HEIGHTS: Where tradition and innovation take flight!

HASBROUCK HEIGHTS HIGH SCHOOL/MIDDLE SCHOOL

Student/Parent Handbook

10% Homework (Preparation): Includes all homework, bringing all necessary materials to class, being ready to participate in class discussions, and exhibiting a knowledge of previously covered work.

***Class Participation** and **Homework** may be combined into one (1) category to reflect a 20% weighting.

Procedures: At the midpoint in each marking period, students should have completed a number of formative and summative assessment which will be accurately recorded in Genesis to reflect each student's proficiency and essential understanding of the New Jersey Student Learning Standards.

- If a student is absent for a summative or formative assessment, the assessment should NOT be "made-up" during the following class period/instructional time. Before/After school is when assessments should be made up. Students will have up to three (3) school days (or longer as per the teacher and/or Principal) to complete missed work or assignments.
- Participation includes factors such as displaying a positive interest in the classroom/presentation, displayed by active and inquisitive contributions adding to the academic or working atmosphere in the classroom.
- Preparation includes all homework, bringing all necessary materials to class, being ready to participate in class discussions, and exhibiting a knowledge of previously covered work.

Homework

Homework will be assigned on a regular basis, with the goal being to practice skills and reinforce concepts learned while in class. Homework will be graded on the following percentage system:

- 100% for completion or good effort;
- 75% for partial or average effort;
- 50% for an attempt, but not enough of the assignment is good to show that the student made a sincere effort for completion;
- 0% for no homework or nearly no homework.

Important to Note: Teachers may assign one (1) homework assignment per week to be graded for accuracy. Teachers must make students aware of which homework assignment will be graded. Grading for the completed work will abide by the following grading scale: 55-100.

FIELD TRIPS

Hasbrouck Heights Middle School offers a variety of educational field trips for all students in grades 6, 7, & 8. Here is a complete list of field trips that our students will have the opportunity to participate in during their time at HHMS:

Junior Aviator Character MVP Program

In an effort to promote positive interactions within the school, as well as good moral character, Hasbrouck Heights Middle School utilizes the ***Junior Aviator Character MVP program***. MVP Cards are issued to students by a staff member when the student is caught in the act of "doing something good". These cards are signed by the staff member and a middle school administrator before it is sent home to be celebrated by the student's family! Once a student earns an MVP card, they are automatically invited to Junior Aviator Night, which is a fun-filled night held at the middle school where students can enjoy a variety of different activities with their classmates and peers.

Heroes & Cool Kids Program

Heroes & Cool Kids is a program designed to teach important life skills related to Character Education. Professional athletes work collaboratively with school guidance counselors to train high school athletes to serve as mentors to middle school students. These high school leaders will then provide guidance to our 6th grade students during their transition to middle school. Topics discussed with students include, but are not limited to: being a good friend, making healthy choices, being an active participant in the school community, bullying, violence, and substance abuse prevention.

Sidekicks Program

Sidekicks is a program designed to build positive and healthy relationships between middle school students and elementary school students. Eighth graders will be selected leaders, who will be trained in providing lessons in Character Education to both Euclid and Lincoln school students. General life skills and topics such as peer pressure, good manners, respect for others, and conflict resolution are among some of themes discussed in this program.
