**HASBROUCK HEIGHTS BPO ELKS LODGE #1962
SPECIAL EDUCATION TEACHER SCHOLARSHIP**

The Benevolent and Protective Order of Elks is a fraternal organization with a strong commitment to the needs of Special Children. The Passaic County Elks Cerebral Palsy Center is a private non-profit organization who runs programs for multiply disabled students and clients. The schools serve students from the ages of three to twenty one who have been placed, on a tuition basis, by a school district in cooperation with the student's parent. Many of the children are sponsored by their individual Lodges to attend Elks Camp Moore, a summer camp owned and operated by the New Jersey State Elks Handicapped Children's Committee. The camp, located in Haskell, New Jersey has been operating since 1971, and has become one of the finest camps in the country specializing in providing enjoyment to these special children.

Hasbrouck Heights BPO Elks Lodge #1962 has established a scholarship for a high school senior who plans on majoring in the field of special education: teaching and working with these special children.
